**Care types:** We provide dementia, nursing, mental health, respite and end of life care.

**Staffing:** The home is run by a home manager who is supported by a leadership team, comprising leads in care, maintenance, housekeeping and wellbeing. We regularly review staffing levels and adapt them to resident needs. We use a dependency tool to help us make informed decisions about how many staff we need each day, based on the number and needs of residents. Our home manager can provide further information about staffing arrangements if required.

### Weekly fees
