

Llys Cyncoed

Key facts summary

Key information

Number of rooms:	97 rooms (all with en-suite bathrooms).
Home manager:	Carley Hunt
Regulation:	We are registered and regulated by the Care Inspectorate Wales, the independent regulator of health and social care in Wales. Our most recent inspection was June 2024 and rated excellent across all areas, in line with Care Inspectorate Wales silent rating.
Care types:	We provide residential, dementia, respite and end of life care.
Staffing:	The home is run by a General Manager who is supported by a leadership team, comprising leads in care, maintenance, housekeeping, catering and lifestyle. We regularly review staffing levels and adapt them to individual needs. We use a dependency tool to help us make informed decisions about how many staff we need each day, based on the number and needs of individuals. Our General Manager can provide further information about staffing arrangements if required.

Funding options

We accept self-funded and local authority funded individuals able to pay a top-up fee to meet our weekly fee. Where the top up is payable the local authority should pay us their portion of the fees in full, the top up payment is then made by yourself directly to us.

Requirements on admission

We recommend that you assess your financial situation and verify that you have adequate resources in place to enable you to enter into this agreement, and to continue to meet the fees that would be due for at least 24 months.

If you are joining us for a respite stay, we will invoice you for the respite fee in advance. The respite fee will need to be paid to us before the date of occupation. If you do not move in, for whatever reason, the respite fee will be refunded in full.

We request a direct debit mandate set in place at the commencement of your residency.

Weekly fees

	Residential care	Dementia care

Large studio suite	From £1,897	From £1,992
One bedroom suite	From £2,077	From £2,172

Respite stays are subject to a 20% uplift on the prices shown above.

What's included?

- All care and support including a monthly review of care plans
- All meals, snacks and drinks freshly prepared every day by our chef
- In-house café with homemade cakes, and a variety of speciality teas and coffees
- Access to landscaped gardens
- Activities and lifestyle programme
- All utilities and other accommodation costs
- Housekeeping and laundry services
- WiFi internet access

Please note, the weekly fee does not include hairdressing, chiropody or other healthcare visits or appointments not covered by the NHS, toiletries, newspapers or magazines, any over the counter medications that a GP wouldn't normally prescribe such as paracetamol and indigestion relief, and any other privately arranged healthcare. Should you require an escort to hospital appointments, we may apply an agreed hourly charge for this service.

Funding status changes

If during your stay your funding status changes, we will do all we can to continue to accommodate you in the home, but we can only guarantee continued residency if the new funding meets our fee levels. Otherwise we may end your residency with us or require you to move to a less expensive room if one is available.

Changes in fees

To cover inflation and other predictable cost increases, your fees will increase by 6.5% in January each year. The only other increases payable will be if you voluntarily choose to upgrade your room, or if, upon assessment, your care needs have changed materially, in which case we will discuss any changes to fees with you as early as possible. Fees may also be increased in the event of significant unpredictable cost increases driven by factors such as exceptional economic shifts, changes to employment costs (including national living wage), new or updated legislation or sector regulation, and increased supplier costs. Should this occur, we will give you 12 weeks' notice of any exceptional changes to your fee level.

Contents insurance

We are unable to accept responsibility for items that are lost or damaged, so please arrange suitable contents insurance for any items you bring with you. We would also recommend creating an inventory list for these belongings.

Safe admissions

We strongly recommend that every new resident who joins us has been vaccinated against COVID-19. We believe vaccinations provide an important level of protection to you, other residents and our colleagues. For the latest information on our commitment to safe admissions and our approach to safety and cleanliness please visit careuk.com/residentsafety

Our full terms and conditions are available in our admission agreement which is published on our website.

The home is owned by WT Opco Cardiff but is managed and staffed by Care UK.
